

### Verse 1

Follow the rules and you'll be alright  
If someone's annoying you, don't get in a fight  
Don't throw things; don't be a vandal, keep your temper in check  
And don't fly off the handle  
Just do the best you can do and show us what it's like to be at school  
Don't be afraid to show us ya skills and show off, what you can do  
At our school we know we're great  
Cause we all know how to be a mate  
If ya ever in trouble, I'll help you out  
Cause that's what a friend is all about  
Now at Speers Point, we know how to achieve  
We try our best cause we wanna succeed  
We do our work to the highest level  
We do our best to defeat the rebels

### Chorus x2

Na Na Na Na Na Na  
Be Respectful  
Na Na Na Na Na Na  
Be Responsible  
Na Na Na Na Na Na  
Be Safe  
Na Na Na Na Na Na  
Be Achievers

### Verse 2

I was in my class, just doing my work  
When I saw my friend saying really bad words  
I said "Hey mate, what's the deal?  
Be positive, nice and support your friends  
I see my mate gettin bullied on the court  
So I go help her out cause I am a good sport  
I said "Hey mate, what's ya beef?  
Have fun, be safe and participate  
I was out on the field, just playing soccer  
When a scored a goal and my friends were cheering  
The bell rings and we all shake hands  
Cause we all get along and we understand  
In the classroom, playground, and everywhere you go  
You need to be responsible cause that's the way it goes  
We all know the rules at Speers Point school  
We know PBL and we ain't no fools!
